 On top left of your screen click on File →Download → Microsoft Word (.docx) to download this template

- 2. Upload the template in Google Drive and share it with your group members
- 3. Delete this page with the requirements before submitting your report. Leaving them will result in an increased similarity score on Turnitin.

## Keep in mind the following:

- Make sure you address all the questions in the GWP assignment document published in the Course Overview.
- Follow the "Submission requirements and format' instructions included in each Group Work Project Assignment, including report length.
- Including in-text citations and related references is mandatory for all submissions. You
  will receive a '0' grade for missing in-text citations and references, or penalties for
  partial completion. Use the <u>In-Text Citations and References Guide</u> to learn how to
  include them.
- Additional writing aids: <u>Anti-Plagiarism Guide</u>, <u>Academic Writing Guide</u>, <u>Online Writing Resources</u>.
- To avoid an increase in the Turnitin similarity score, **DO NOT copy the questions** from the GWP assignment document.
- Submission format tips:
  - o Use the same font type and size and same format throughout your report. You can use Calibri 11, Arial 10, or Times 11.
  - o Do NOT split charts, graphs, and tables between two separate pages.
  - o Always include the axes labels and scales in your graphs as well as an explanation of how the data should be read.
- Use the <u>LIRN Library</u> for your research. It can be accessed via the left navigation pane inside the WQU learning platform.
- Carefully read <u>Academic Policy on the use of Al</u> explaining how the use of Al tools is restricted and regulated. Severe penalties apply for excessive and improper use of Al

The PDF file with your report must be uploaded separately from the zipped folder that includes any other types of files. This allows Turnitin to generate a similarity report.
