0.3.2 Check Your Knowledge

Question 1

True or False

A student can join any office hour session, regardless of what project they're on:

- ☐ FALSE
- ☒ TRUE

Time left:
9:04

QUESTIONS

- 1 2 3 4
- 5

Question 2

True or False

There is a time limit for completing the Deep Learning Fundamentals Lab:

- ☐ TRUE
- ☒ FALSE

Question 3

True or False

The Lessons and Assignments in the virtual machine platform will work equally well on a mobile device as they will on a computer.

- ☒ FALSE
- ☐ TRUE

Question 4

What is the primary purpose of the Piazza platform?

- ☐ To provide detailed instructions for coding tasks.
- ☐ To track your project progress automatically.
- ☒ To serve as a central hub for announcements, resources, and community connections.
- ☐ To host virtual machine interfaces.

Question 5

A student should file a ticket in the Help Center when they:

- ☒ Have an administrative question or a technical issue with the website.
- ☐ Want to know when the next office hours session is.
- ☐ Have a question for their instructor.
- ☐ Have completed a project and want to register for the next one.
